

Directions for Use: SHAKE BEFORE USE. Wet area and thoroughly apply to animal and work into a lather to the skin. Allow to stand for 5-10 minutes and rinse completely. Continue daily treatments until affected area is cleared up.

Instrucciones: ¡Agítelo antes de utilizarlo! Moje abundantemente el área afectada. Aplíquelo en el animal y masajee hasta formar espuma. Esparza la espuma por el pelo hasta llegar a la piel. Deje que la espuma actúe de 5 a 10 minutos. Enjuague cuidadosamente. Utilícelo de 3 a 4 veces por semana o según sea necesario.

Active Ingredients: Chelated Silver, Stannous Fluoride, Sodium Lauryl Sulfate, Zinc Gluconate, Hamposyl L-30, Tergitol, Glycerine, Fragrance.
