

MEGA-TEK® EQUINE REBUILDER

Mega-Tek's revolutionary formula is a technological breakthrough.

Manes & Tails: Revitalizes hair so mane and tail won't break off as easily and will grow longer. Conditions bare spots caused by blanket rubs, skin conditions or injuries.

DIRECTIONS: Apply to wet clean hair. Leave on 5 minutes then rinse off. Mega-Tek® can also be left on for continuous benefits, such as putting on tail and wrapping it. Use as often as possible, usually 2 or 3 times a week or whenever horse is bathed. On injuries, skin problems or blanket rubs use daily. Can be left on under blankets.

Hooves: Conditions and revitalizes hooves with soft walls, quarter cracks & sand cracks. Shoes hold better. Corrects dry damaged hoofs. Great for shelly footed horses.

DIRECTIONS: Apply to coronet band, wall and frog. Use daily or as often as possible. Frequent use increases effectiveness of the product.

INGREDIENTS: Deionized Water, Stearalkonium Chloride, Glycerol Stearate, Cetearyl Alcohol (Derived from Palm Oil), Castor Oil Ethoxylate(40), Tocopheryl Acetate (Vitamin E), Panthenol, Hydrolyzed Keratin Protein, Cetrimonium Chloride, Tetrasodium EDTA, DMDM Hydantoin, Methylparaben, Propylparaben, Fragrance.
