

*Springtime*  
**Performance Paste™**

**PRODUCT HIGHLIGHTS**

- Provides anti-inflammatory factors and superior joint lubrication\*
- Highest recommendation for racehorses that "bleed"\*
- Boosts oxygenation, energy, & stamina\*
- Helps keep horses calm & focused but capable of "best day" type performance\*
- Promotes cartilage, tendon, and capillary health\*

**PRODUCT SUMMARY**

**Performance Paste** replaces Race Paste with a bigger, better, stronger formula. While racing stables will no doubt continue to benefit from this product, any performance horse can improve and recover better with it.

**GUARANTEED SPRINGTIME ANALYSIS**
