Providing a small amount of Gain Weight, which is high in Omega-3 Fatty Acids, to your horse's daily ration will help obtain the full benefits of adding fat and calories to their diet.

Provides a source of live (viable) naturally occurring microorganisms.

FEEDING DIRECTIONS

- Use 1 scoop daily to contribute to healthy skin and coat condition.
 - Use 2 scoops daily for adding calories.
 - Horses with higher activity levels or under stress may use higher levels of Gain Weight without the risk of digestive upset.
-
- For Equine Use Only
 - Keep out of reach of children.
 - Keep container tightly closed.
 - Store in cool, dry place.
