

Directions:

For a 1000 pound horse, give 2 level scoops on feed for 30 days. Give 1 level scoop daily thereafter.

90% of horses will respond in 14 days. However, we want all horsemen to have a good experience, so we recommend 2 scoops per day for 30 days, then 1 scoop per day thereafter. 3% to 5% of horses will need to stay on 2 scoops per day as long as they are in training.

INGREDIENTS: Corn gluten meal, lecithin, fish by-products, dried citrus pulp, citric acid, vitamin K, folic acid, ascorbic acid, natural and artificial flavors, gum arabic, guar gum, xanthan gum, sodium benzoate.

GUARANTEED ANALYSIS:

INGREDIENT	PER SCOOP (21 GRAMS)	%
Ascorbic Acid	170 mg	0.85%
Folic Acid	14 mg	0.07%
Vitamin K (Menadione)	4.5 mg	0.02%
