Corona Complete Daily Care Hoof Dressing

- Ideal for every day use to help maintain healthy hoof condition.
- Helps protect hoofs from drying out, cracking, splitting or becoming brittle.
- Efficient as a hoof pack to relieve quarter cracks.
- Softens and aids in relieving discomfort of calluses.
- Enriched with lanolin to help nourish and preserve the natural moisture balance and maintain the suppleness of the coronet, frog, sole and heels.
- Promotes natural, smooth re-growth of hoof, and prevents horn cracks due to dryness or abrasive surfaces.

Directions

MIX WELL BEFORE USING. Cleanse hoof of debris and dirt. Apply Corona Complete Daily Care Hoof Dressing daily with the brush and massage into the coronet band and the heel bulb. This will stimulate circulation and open the pores, maximizing the moisturizing effects of Corona Complete Daily Care Hoof Dressing to improve the quality of the existing hoof while helping support new growth that is strong and pliable.

If hoof quality is currently poor, apply Corona Complete Daily Care Hoof Dressing before exercising and bathing the horse, and again after cooling out. This will create a protective barrier to prevent the

Directions (continued)

harmful effect of sweat and water to cracked feet. Please remember that the average hoof normally grows about 1/4" per month, so you will see gradual improvement. However, with consistent daily use of Corona Complete Daily Care Hoof Dressing, a dramatic improvement in your horse's hoof quality will be noticeable over time.

Ingredients

Petrolatum, Mineral Oil, Purified Water, Lanolin, Beeswax, Cod Liver Oil, Sodium Borate, Ethoxylated Nonylphenol, Wheat Germ Oil, Methyl Salicylate, Sorbitan Sesquioleate, Methylparaben, Lanolin Alcohol, Propylparaben, Fragrance, Disodium EDTA, Soybean Oil.

Caution

If conditions persist or become worse, or in case of deep wounds, or serious burns, consult your veterinarian. • **FOR EXTERNAL USE ONLY**
