Susan Bates® Crochet Hook: 5.5mm [US I-9]

GAUGE is not important for this pattern

SUPER BULKY

RED HEART® Boutique Sassy Lace™, Art E816 available in 30 yd (27 m) hanks

Darling Ruffle Scarf

Create a romantic ruffled lace scarf using a crochet hook...but you really don't need to know how to crochet. Just follow our instructions...just two steps!

Scarf measures 86" long

NOTE

This yarn is actually a lace strip with holes evenly spaced along one edge. You will be inserting hook through the holes.

SCARF

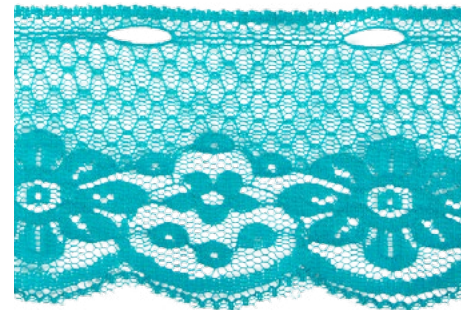

Step 1: Insert hook through 1st hole from back to front; repeat for 2nd, 3rd and 4th holes. You now have 4 holes on the hook.

Step 2: Pinching together all four holes on the hook with left forefinger and thumb, insert hook from front to back into 5th hole and pull through all holes on hook.

Repeat Steps 1 and 2 with each group of 5 holes. If you put your work down, be sure to put a stitch holder or safety pin on the working stitch. This holder needs to be larger than the hole so that your work will not fall apart.

Continue until 4 or less holes remain; pull end through last stitch and pull tight. Trim beginning and ending fabric strip points so that they blend in with the ruffles.

Shake out your scarf so that ruffles spiral.

Please Note: Print this pattern using Landscape Orientation.
