Kindergarten Photo Cards
Activity Guide

Expand classroom vocabulary with this handy card set, which includes keywords from the following subjects: math, language, science, and general vocabulary. It also includes 25 challenge words from various subjects to help prepare your students for first grade.

Cards are color-coded and divided by tabs for easy use and organization. The front side of each card features a real-life photo with the word. The back side includes the word in a simple sentence underneath the image.
The perfect addition to any classroom, these cards can be used in a variety of ways:

- Test your students with a quick flashcard activity
- Make an engaging word wall
- Support your daily lessons
- Use the cards in a pocket chart for endless activities
