

## Features of Elliott—the Musical Teaching Bear™

Elliott—the Musical Teaching Bear plays 7 fun sound effects and glows green when you get a correct answer.

Elliott has a special window in his overalls that glows GREEN for correct answers.

Note: Elliott—the Musical Teaching Bear works only with Hot Dots® Tots products.

## Using Elliott—the Musical Teaching Bear

1. Read a question.
2. Position Elliott straight up and down and press Elliott's tip on the picture that answers the question.  
If correct, Elliott plays positive sounds and glows green.

**Note:** Elliott will not provide a response when pressing on a wrong answer.

## Caring for Elliott—the Musical Teaching Bear

### How to Install and Replace the Batteries

Elliott requires 2 AAA batteries, not included. To install the batteries, use a Phillips screwdriver to unscrew the battery door on the top of the pen. Turn screw counterclockwise until door opens. Install 2 fresh AAA batteries as shown in the diagram. Replace door. Turn screw clockwise until door is secure.

## Battery Installation and Information

1. Open the battery compartment door by carefully loosening the screw with a screwdriver.
2. Install two fresh AAA batteries following the illustration inside the battery compartment.
  - Do not use rechargeable batteries.
  - Do not mix old and new batteries.
  - Do not mix different types of batteries: alkaline, standard (carbon zinc) or rechargeable (nickel-cadmium) batteries.
  - Do not recharge nonrechargeable batteries.

- Remove rechargeable batteries from the toy before recharging.
- Only charge rechargeable batteries under adult supervision.
- Only use batteries of the same or equivalent type as recommended.
- Insert batteries with the correct polarity.
- Remove exhausted batteries from the unit.
- Do not short circuit the supply terminals.
- To prevent corrosion and possible damage to the product, we recommend removing the batteries from the unit if it will not be used for more than two weeks.

3. Close the compartment door and tighten the screw.

### Cleaning Instructions

Clean Elliott with a damp or dry cloth. Do not immerse or spray liquid or water on Elliott.

### Troubleshooting

#### If Elliott—the Musical Teaching Bear does not work the first time you use it:

- Make sure you have correctly installed the 2 AAA batteries.

#### If Elliott does not work after using it successfully:

- Take out the batteries and reinsert them, making sure that they are sitting properly inside the battery compartment.
- Install fresh batteries.

- Make sure the battery door is tightly secured.

#### If Elliott still does not work:

- Make sure Elliott's tip is held straight up and down and you are pressing down on the picture of the answer.

#### How to Position Elliott

- Make sure the tip of Elliott sits flat on the surface of the answer as shown below.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
