

Commercial Propane Burnishers

Powr-Flite®

Three Models that fit all
your job requirements
The Professional Choice for Floor Care

Propane burnishing is the only way to go for massive hard floor jobs—retail, warehouses, airports...spaces that would tie up your equipment and manpower for excessive amounts of time. Burnish more square feet faster, easier and with better results.

- Heavy-duty seamless housing for long lasting durability
- Offset body design of the 21" models provides easy access to those hard to reach areas
- 2 year motor warranty
- 360° floating, swivel, spin-on pad driver for full pad to floor contact
- Tilt back design for quick pad change
- UL listed coupling, regulator, fuel lines and cylinder
- Adjustable, welded handle for improved maneuverability
- Soft tread adjustable wheels
- CARB/EPA certified

Model PB2717
