

Commercial Fogger

Fogger

The compact fogger is the best choice for open-area and surface deodorizing with water-based disinfectants that are EPA approved for fogging and deodorizers. ULV feature means that extremely small particle sizes can be achieved or highly effective application of an odor control product. Sprays up to 25' with full coverage.

- Adjustable flow control valve from ULV to light mist
- Ultra high-speed, 2-stage motor
- Variable output from 0-18 ox. per min.
