## Commercial Back Pack Vacuum

### Powr-Pak LX Back Pack Vacuum The best value back pack on the market!

The most powerful and quietest backpack vacuum you'll ever use, the Powr-Pak LX is the ultimate tool for "team cleaning." This lightweight back pack vacuum makes it easy to get in and out of difficult, tight or confined spaces quickly and easily. Wearability is a major issue with back pack vacuums and the Powr-Pak LX has all of the features for maximum comfort. The ergonomically designed back support and harness with flexible shoulder straps and waist harness assures a perfect fit for the operator and it is so quiet it can be used in a library during business hours.

- Superior 68 dB rating for whisper quiet operation.
- Ergonomically designed back support and harness
- Lightweight at only 10 lbs
- Four stage filtration plus optional HEPA filter
- 100" water lift
- 111 CFM
- Vacucide inner cloth bag

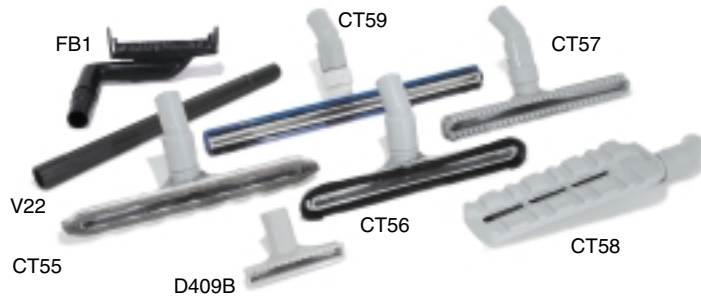

**SILENT RUN**  
SYSTEM

Accessories include a crush proof hose, a pistol grip with air regulator, a telescopic wand, easy glide floor tool, a dust brush and crevice tool. The hose can be adjusted to the left or right side of the vacuum for total flexibility. The electrical cord is protected from stress and damage by an integral cable restraint. The Powr-Pak LX includes a reusable cloth filter and extra disposable sealed paper bags are available.

**Standard PF20BP tools.**

**Delux PF20BP tools.**
