

Powr-Flite®

Commercial Backpack Vac

Quiet, Light and Powerful

The most powerful and quietest backpack vacuum you'll ever use, the Powr-Pro is the ultimate tool for "crew cleaning." This lightweight backpack vacuum makes it easy to get in and out of difficult, tight or confined spaces quickly and easily. Wearability is a major issue with backpack vacuums and the Powr-Pro has all of the features for maximum comfort. The ergonomically designed back support and harness with flexible shoulder straps and waist harness assures a perfect fit for the operator and it is so quiet it can be used in a library during business hours.

- Superior 71 dB rating for whisper quiet operation
- Ergonomically designed back support and harness
- Lightweight at only 11.5 lbs.
- Four stage filtration
- 100" water lift
- 120 CFM
- Shake-out inner cloth bag
- Complete set of tools and adjustable double bend wand
