PROJECT TIP**Organize Your Supplies**

Knitting and crocheting is easier and more enjoyable when your supplies are accessible and organized. Try keeping a notebook of information on the yarn in your stash, including brand, color name or number, weight, care instructions, and amount that you have left. Update the list regularly so you always know what you have on hand. Also, keep your needles and hooks organized by size so they are easy to access for each project.

PROJECT TIP

Care Guide for Handmade Gifts

When you give a knit or crochet item as a gift, include a small tag, label, or note with care instructions that are specific to the yarn from which it was made. This will save the recipient from having to guess how to clean or care for the item and avoid potential damage due to incorrect laundering.
